Why A College Coach Should Look At Me:	Aside from how hard I work in school, the effort and energy I put forth on and off the field is evident. I am the player that will not stop talking on the field whether it's calling plays or cheering on my teammates. Even when I am having an off day, I never stop cheering for my team. I play hard each and every time I step on the field because I am truly blessed to be doing what I love everyday.
